**RESPONDENT BOSCH SECURITY SYSTEMS, INC.'S MOTION FOR AN
EXTENSION OF TIME TO RESPOND TO NON-PARTY AXIS COMMUNICATION
INC.'S MOTION TO QUASH SUBPOENAS *DUCES TECUM* AND *AD
TESTIFICANDUM* (MOTION DOCKET NO. 795-008)**

Pursuant to Commission Rule 210.15 (19 C.F.R. 210.15) and Ground Rules 1.8 and 3, Respondent Bosch Security Systems, Inc. ("Bosch") moves to extend the deadline for its response to non-party Axis Communications, Inc. ("Axis")'s motion to quash the subpoena *duces tecum* and the subpoena *ad testificandum* (collectively, "the Subpoenas") of Bosch (Motion Docket No. 795-008). At least two business days prior to filing this motion, Bosch notified Axis of its intention to file this motion, and also notified Complainant, the other Respondents, and the Commission Investigative Staff in advance of the filing of the motion. Counsel for Axis and Complainant do not oppose this motion. The other Respondents and the Commission Investigative Staff have not yet indicated their position on this Motion.

Bosch's response to Axis's Motion to Quash the Subpoenas is currently due on November 7, 2011. Bosch requests an extension of that deadline to November 30, 2011 in order to allow additional time for Bosch and Axis to resolve the issues raised in Axis's motion. While Bosch and Axis are working toward a resolution, they will be unable to finally resolve the issues

by November 7. Counsel for Axis does not oppose extending the deadline for Bosch to respond to the Motion to Quash. Accordingly, good cause exists for the extension requested in this motion.
